

FREIGHTMASTER

The National Railfreight Timetable

Autumn 2010 edition

~ ~ Disclaimer ~ ~

This book provides a 'snapshot' of freight services running at the time of going to press.

During the currency of this edition, new trains will be introduced and existing services will be retimed, re-routed, amended to run on different days, or withdrawn altogether.

Such changes occur on a weekly basis, so to keep up to date, you should subscribe to Freightmaster Online, which is updated 52 times a year!

see advert at back of book for details...
